

Assessment

Forest Plan Revision

Draft Socioeconomic Report

Appendix A

Prepared by:

Jordan Larson
Regional Economist

Rebecca Rasch
Regional Social Scientist

for:

Custer Gallatin National Forest

November 29, 2016

Note: This document must be printed on 8.5 by 14 inch (legal size) paper, landscape orientation

List of Tables

Table 1. Summary of key economic characteristics by area of influence counties 1

Table 2. Estimated per capita income by counties in the economic area of influence 2

Table 3. Estimated poverty count and levels by counties in the economic area of influence, 2014..... 3

Table 4. Estimated sourced income by counties in the economic area of influence, 2014..... 4

Table 5. Estimated employment by industry and county in the economic area of influence, 2014 5

Table 6. Estimated labor participation by counties in the economic area of influence, 2014 6

Table 7. Private employment sectors by counties in the economic area of influence, 2014 7

Table 8. Estimated agriculture employment by counties in the economic area of influence, 2014 7

Table 9. Estimated forestry and timber employment by counties in the economic area of influence, 2014 8

Table 10. Estimated mining employment by counties in the economic area of influence, 2014..... 9

Table 11. Presence in federal land in counties within the economic area of influence 10

Table 12. Federal payments by type across counties in the economic area of influence, 2015 11

Table 13. Distribution of federal payments by government-level across counties in the economic area of influence, 2015 12

Table 1. Summary of key economic characteristics by area of influence counties
